Recent guidance from the EBSA Disaster Relief, [Notice 2020-1](#) was released with the Department of Labor along with the Department of the Treasury. It extends certain timeframes related to Federal COBRA. It also extends deadlines for the employee benefit plans subject to Title I of ERISA. Additionally, this week the IRS released [IRS Notice 2020-29](#) & [IRS Notice 2020-33](#) with further guidance to allow temporary changes to Section 125 cafeteria plans to assist with the response to the COVID-19 outbreak. To assist our customers and participants with the changes surrounding this guidance, Infinisource has created a [new webpage specific to the “tolled” timeframes](#).

This page has been created in anticipation of questions by participants and customers. It includes a series of FAQs and the links to the legislative documents. We will be updating this page frequently as new information becomes available. We encourage you and your participants to review the information contained here.

If you have questions in regards to Federal COBRA, please feel free to reach out to your COBRA support team member directly or call us at 866-320-3040 or via email at crmail@infinisource.com.
